DETAILED ACTION

Acknowledgements

1. A request for continued examination ("RCE") under 37 C.F.R. §1.114, including the fee set forth in 37 C.F.R. §1.17(e), was filed in this application on January 19, 2005. This application was under a final rejection (the Second Final Office Action, mailed October 19, 2004) and is therefore eligible for continued examination under 37 C.F.R. §1.114. Because the fee set forth in 37 C.F.R. §1.17(e) has been timely paid, the finality in the previous Second Final Office Action has been withdrawn pursuant to 37 C.F.R. §1.114.
2. In accordance with the RCE noted above, Applicant's amendment filed January 19, 2005 is acknowledged. Accordingly, claims 32, 34, 36-41, 45, 46, 48, 49, 51-53, 55, 56 and 59 remain pending. These claim are now allowed.

Reasons For Allowance

3. The following is the Examiner's statement of reasons for allowance:
4. The primary reference Picciallo (U.S. 6,044,360) and the prior art as noted in Applicant's specification discloses as previously discussed. However neither Picciallo nor any other prior art of record discloses a combination of the following: four financial records associated with four corresponding products; first and second master records; first and second relationship controls; and first and second set of parameters whereby the first set of parameters as claimed is distinct from a second set of parameters which defines a relationship between the third financial record and the second master record. A combination these and the other claimed features was not reasonably found in the prior art.
